

## CONSULTANT DETAILS

**david corcoran**

MD FRCPI

**consultant paediatrician**

**Dr David Corcoran** is a paediatrician with a special interest in the newborn infant. He is a graduate of University College Dublin. He completed his higher speciality training in Belfast as a general paediatrician before moving to Vancouver, Canada for three years to specialise in newborn and preterm infants. He obtained his doctorate through the Queen's University, Belfast in 1997.

He has been a consultant in the Rotunda since 1999. He is particularly interested in respiratory and heart problems in premature infants and also specialises in the care of infants and toddlers. He has some practical experience in the area of paediatrics as he is married with five children.
